DAVID W. EDWARDS, D.M.D.

Specializing in Mercury-Free Dentistry General, Cosmetic, Family

Thank you for scheduling your thorough exam appointment.

Attached are your editable Patient Information forms to complete for your appointment. If possible, please fax or email to our office prior to your appointment.

Your thorough exam will consist of a comprehensive oral evaluation, soft/hard tissue charting (including previous dental restorations, current decay, fractures, etc) a digital panoramic radiograph, digital bitewing radiographs, digital photographs and complete treatment planning. The cost of this appointment averages \$448. and you should plan on spending approximately 2-3 hours with us.

Please note this appointment does not include a hygiene/cleaning appointment. If you would like hygiene at this visit, please let us know in advance and we will try our best.

Your hygiene needs will be assessed during your thorough exam. You will then be scheduled for the appropriate appointment with our hygienist. Hygiene fees typically range between \$160- 301. For patients coming in for periodic hygiene appointments, the fee is \$160.

We accept Mastercard, Visa, American Express, Discover, Care Credit & Cash. We do not accept checks or insurance.

If you have had <u>digital</u> radiographs taken within 1 year; please ask the office to email them to <u>info@HolisticDentalHealth.com</u>, along with the date they were taken. We require the radiographs be emailed since the diagnostic value is much greater. Images must be sent as individual digital .jpeg images, not formatted in a group. <u>Images must be received in our office prior to your appointment day/time.</u>

We are a fee-for-service dental practice. If you have dental insurance, you will be responsible for paying for your visit in full and we will happily print your completed insurance claim form for you to send to your insurance company so they can reimburse you directly. Please confirm your insurance has out-of-network benefits and provide us with all pertinent information. We are not an insurance provider and do not know what your insurance will reimburse. You are responsible for verifying your benefits. We are happy to file pre-treatment estimates for future treatment.

Due to the nature of our practice, we have many patients that are chemically sensitive. *We kindly request that you refrain from wearing any fragrances.*

Thank you for choosing our office for your dental needs. We look forward to meeting you.

Respectfully, Ja' Long Office Manager
